**We hereby confirm:**

1. This notice is issued in accordance with the provisions of the Adoption Agreement made between SP Distribution / SP Manweb, the Developer and the Contractor.
2. Notwithstanding the issue of this Notice the Agreement shall continue to remain in full force and effect so far as any of its provisions remain to be implemented or take effect.
3. Copies of all relevant test, conformance certificates and as laid plans are attached. True, accurate and complete plans have been submitted in accordance with PowerSystems document, RECORDING OF ELECTRICAL ASSETS BY CONTRACTORS - BUPR-22-015.
4. The apparatus detailed above has been installed in accordance with PowerSystem procedures, requirements and agreed design.
5. Individuals possessing appropriate training, knowledge and experience have made all contestable networks live in accordance with applicable procedures.
6. The apparatus detailed above shall be regarded as live from the date shown below or date energised (whichever is earlier) and that all relevant site personnel (including site agent) have been informed of this potential hazard by the contractor.
7. All statutory consents have been secured.
8. All exit points of the network made live have been suitably registered.
