Any representations to the application should be made by completing the online representation form on The Scottish Government, Energy Consents website at:

<http://www.scotland.gov.uk/Topics/Business-Industry/Energy/Infrastructure/Energy-Consents/Support-object>

or

by email to The Scottish Government, Energy Consents Unit mailbox at:

representations@scotland.gsi.gov.uk

or

by post to The Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation, not later than 9th August 2013.

Representations should be dated and should clearly state the name (in block capitals) and full return email or postal address of those making representation. All representations to the Scottish Government will be copied in full to the planning authority, and made available to the public on request, unless individuals request otherwise.

Representations should be dated and should clearly state the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to the address stipulated will receive acknowledgement. When initial comments from statutory consultees are received further public notices will give advice on how this information may be viewed by members of the public, and how representations may be made to Scottish Ministers.

During the consideration of the proposal, Scottish Ministers may formally request further information to supplement the Environmental Report and this will also be advertised in such a manner. As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held. Following receipt of all views and representations, Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

Fair Processing Notice

The Scottish Government Energy Consents and Deployment Unit process applications under The Electricity Act 1989. During the consultation process letters of representation can be sent to Scottish Ministers in support of or objecting to these applications. Should Scottish Ministers call a Public Local Inquiry (PLI), copies of these representations will be sent to the Directorate of Planning and Environmental Appeals for the Reporter to consider during the inquiry. These representations will be posted on their website with personal email address, signature and home telephone number redacted (blacked out). Copies of representations will also be issued to the developer on request, again with email address, signature and home telephone number redacted. You can choose to mark your representation as confidential, in which case it will only be considered by Scottish Ministers and will not be shared with the Planning Authority, the developer, the Reporter (should a PLI be called) or any other third party. If you have any queries or concerns about how your personal data will be handled, please email the Energy Consents and Deployment Unit at: energyconsents@scotland.gsi.gov.uk or in writing to Energy Consents and Deployment, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU.
