

# Beauly-Denny Stirling Environmental Mitigation Consultation Drop-in Event

**Monday 17th March 2014**

**Allan Community Centre Lounge**

**Drop in any time between 5.00pm and 8.00pm**

The event will update local communities on the works associated with the overhead line and the programme of works during 2014. The event will:

- outline of the Mitigation Framework for landscape & visual mitigation
- invite communities to submit project ideas for environmental mitigation
- offer an opportunity to meet the landscape team and discuss project ideas.
