

Scott Mathieson

MA (Hons)

Scott Mathieson was appointed as a director of Scottish Power Energy Networks Holdings Limited (SPEN) in 2011 and as a Director of SP Manweb plc, SP Distribution plc and SP Transmission plc.

Scott was recently appointed as Network Planning & Regulation Director increasing his above responsibilities to include Asset Management, System Design & Planning, Process and System Development, Regulatory Economics, Governance and Reporting and Workforce Renewal.

RELEVANT EXPERIENCE FOR HIS ROLE IN SCOTTISH POWER

Scott Mathieson was appointed earlier this year to lead the Network Planning and Regulation team in Energy Networks, increasing his previous responsibilities to include Asset Management, System Design & Planning, Process and System Development and Workforce Renewal.

Prior to this Scott was in charge of the SPEN Regulation & Commercial function (since November 2005).

Scott joined ScottishPower in 1996 after graduating from the University of Glasgow with a degree in economics. His experience has been gained across a number of roles predominately within Finance, Strategic Planning, Regulation, Investor Relations and Regulatory Reporting both within SP Energy Networks and at Scottish Power Group levels.
