

Mónica Grau Domene (Madrid, 1975)

PROFESSIONAL PROFILE AND BIOGRAPHICAL DATA

Administration and Control Director of Iberdrola's Networks Business

Personal profile and academic training

Sra Grau Domene holds a degree in Business Administration from the University of Carlos III and an Executive MBA from the University of Antonio Nebrija.

Sra Grau Domene also participated in the 8th Edition of the Energising Leadership Programme held by ESADE Business School.

Noteworthy experience in the energy and industrial engineering sector

In 2005, Sra Grau Domene joined the Iberdrola Chairman's Cabinet, where she carried out different control and monitoring tasks related to the Liberalised Business, the International Area, the Economic and Financial Areas and was also appointed Director of Iberdrola's subsidiaries in Chile, Guatemala, Bolivia and Brazil.

Between 2015 and of 2020, Sra Grau Domene was responsible for leading the Market Intelligence Team within Iberdrola's Liberalised Business.

Until Sra Grau Domene's current appointment as the Administration and Control Director of Iberdrola's Networks Business, she took part in Iberdrola's Fixed Assets Reduction Project.

Noteworthy experience in other industries

Prior to joining Iberdrola's Corporate Development Department in 2004, Sra Grau Domene worked at the consultancy firms Arthur Andersen and Deloitte as senior auditor for energy companies.
