Appendix 12.2 Baseline Noise for OHL

12. Baseline Noise for Overhead Line

12.1.1 Baseline noise has been undertaken to support the operational noise assessment for the overhead line aspect of the project. Baseline levels along route XX and XR have been reported in 2063684-RSKA-RP-001-(01) *'Denny to Wishaw OHL Baseline Noise'* and 2063684-RSKA-RP-002-(01) *'Denny to Wishaw OHL Baseline Noise',* which are included in this appendix.
