

Appendix 7.1

Watercourse Crossings

Appendix 7.1 Watercourse Crossing Inventory

#	X	Y	Type of Track	Pole or Tower	Scale	Comment
1	244167	671468	New access track for construction	12	Small	Minor drain along fenceline
2	241314	672860	New access track for construction	49	On 50:000 OS mapping	No access
3	240309	671499	New access track for construction	72	On 50:000 OS mapping	Existing ford
4	239838	670890	New access track for construction	83	Small	Photograph provided
5	239820	670888	New access track for construction	83	Small	
6	237530	671341	Existing Track	107	Small	Very minor drain of Gled Craig
7	237223	671390	New access track for construction	111	Small	Along fenceline; drains to SSSI (photograph provided)
8	236853	671332	New access track for construction	114	Small	Marshy, drains to SSSI
9	235514	671744	New access track for construction	129	On 50:000 OS mapping	Existing bridge
10	235043	671903	New access track for construction	135	Small	
11	232885	672289	New access track for construction	158	On 50:000 OS mapping	
12	232769	672375	New access track for construction	160	Small	
13	232739	672443	Existing Track	G069	On 50:000 OS mapping	Existing track and culvert
14	232706	672467	Existing Track	G069	On 50:000 OS mapping	Existing track and culvert; photograph provided
15	232669	672501	New Access Track Dismantle	G069	On 50:000 OS mapping	Existing track and culvert
16	232583	672282	New access track for construction	162	Small	Small tributary
17	232353	672274	New access track for construction	164	On 50:000 OS mapping	Upper reaches
18	232304	672310	New access track for construction	165	On 50:000 OS mapping	Upper reaches
19	231786	672323	New access track for construction	171	Small	Marshy, incised
20	231675	672403	New access track for construction	173	Small	Marshy only, no flowing water
21	231663	672411	New access track for construction	173	Small	Field drain only, no flowing water; photograph provided
22	231523	672513	New access track for construction	175	Small	Existing crossing point; photograph provided
23	231412	672780	New access track for decommissioning	G074	Small	No flowing water, wet boggy marshland; photograph provided
24	231021	672604	Existing Track	180	Small	Watercourse culverted depth beneath existing track / dam
25	240663	670848	New access track for decommissioning	G040B	Small	
26	238776	670402	New access track for decommissioning	G047	Small	Minor field drain
27	238745	670508	New access track for decommissioning	G047	Small	Minor field drain
28	237271	670636	New access track for decommissioning	G053	Small	

Example Watercourse Crossing Photographs

Watercourse crossing #4 facing upstream

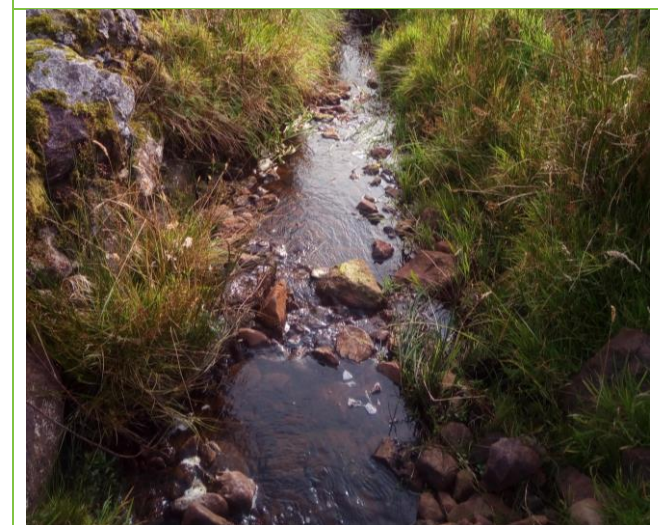

Watercourse crossing #7 facing upstream

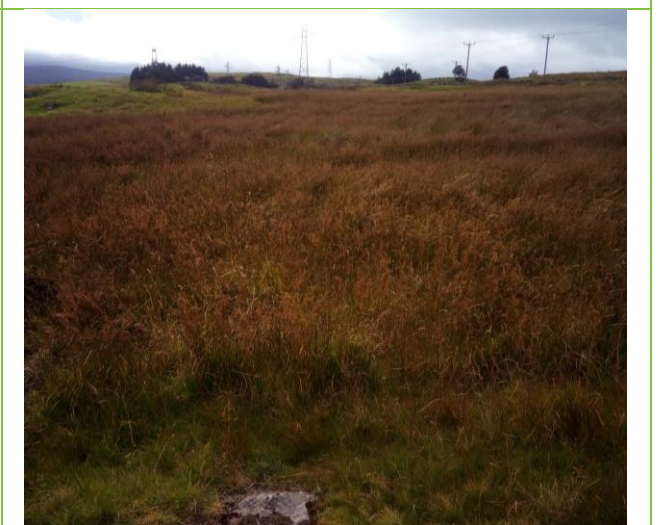

Watercourse crossing #14 facing downstream

Watercourse crossing #21 facing upstream

Watercourse crossing #22 facing downstream

Watercourse crossing #23 facing west
