

PROFESSIONAL PROFILE AND BIOGRAPHICAL DATA

Solicitor, SP Energy Networks

Mrs Ingram is the Secretary of the Audit & Compliance Committee of Scottish Power Energy Networks Holdings Limited.

Professional and academic training

Mrs Ingram is a professionally-qualified solicitor who is registered to practice with the Law Society of Scotland. Mrs Ingram is also qualified in Ireland, and England and Wales. Mrs Ingram also has a Postgraduate Diploma in EU Competition Law from King's College London.

Notable experience in the energy sector

Mrs Ingram qualified with the Scots law firm Shepherd and Wedderburn LLP in 2016, where she specialised in energy law and regulation, State aid and competition law. Mrs Ingram regularly provided advice to both regulators and regulated groups in the utilities sector, including providing regulatory advice to SP Energy Networks, renewable energy developers, public authorities and regulators operating in other jurisdictions. Mrs Ingram also completed a secondment to Iberdrola's Brussels office where she advised on legal and regulatory EU affairs and policies.

In 2020, Mrs Ingram joined SP Energy Networks as a solicitor in the legal team, which is the position she currently holds. Mrs Ingram advises SP Energy Network's Transmission and Distribution businesses on legal issues arising from a wide range of regulatory matters, as well as Data Protection, Cyber Security and commercial contracts.

Notable experience in other industries

During her years in private practice, Mrs Ingram advised clients in a number of other industries including clients operating in the Water, Waste, Housing and Sports sectors.
