## SP ENERGY NETWORKS HOLDINGS LTD ELECTRICITY ACT 1989

### TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997 THE ELECTRICITY (APPLICATIONS FOR CONSENT) REGULATIONS 1990

Notice is hereby given that SP Energy Networks Holdings Ltd, "the Company", (registered in Scotland under company registration number SC389555 at 320 St. Vincent Street, Glasgow, Scotland, G2 5AD) has applied to the Scottish Ministers for consent under Section 37 of the Electricity Act 1989 to install and keep installed twin 132KV overhead lines, each with a length of approximately 2.4 km (4.8km in total) supported on wood poles between Scoop Hill Community Wind Farm Substation located approximately 4.8 km south-east of Moffat (Ordnance Survey (OS) grid reference 311430 600564) and the electrical substation at Moffat (Beartholm) located approximately 3 km south of Moffat (OS Grid Reference 309406 601705).

SP Energy Networks Holdings Ltd has also asked that Scottish Ministers give a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the Environmental Report, with a map to which it relates is available for public inspection in person, during normal office hours at:

Location	Opening Hours	Address
Dumfries and Galloway Council Customer Services	Monday: 9am to 5pm Tuesday: 9am to 5pm Wednesday: 10am to 5pm Thursday: 9am to 5pm Friday: 9am to 5pm Saturday: Closed Sunday: Closed	Kirkbank House English Street Dumfries DG1 2HS

A copy of the Environmental Report with a plan showing the land to which it relates, is available for public inspection, free of charge on the application website at [https://www.spenergynetworks.co.uk/pages/scoop\\_hill.aspx](https://www.spenergynetworks.co.uk/pages/scoop_hill.aspx). The application can also be viewed on the Scottish Government Energy Consents website at [www.energyconsents.scot](http://www.energyconsents.scot) under application reference ECU00004515.

Any representations on the application may be submitted to Scottish Ministers via the Energy Consents Unit website at [www.energyconsents.scot](http://www.energyconsents.scot) by email to the Scottish Government, Energy Consents Unit mailbox at [representations@gov.scot](mailto:representations@gov.scot); or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the ECU receiving representations by post.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations. Emailed representations should also include the full return email address of those making representations. Only representations sent by email to [representations@gov.scot](mailto:representations@gov.scot) will receive acknowledgement. Please note that the application reference number must be clearly stated in the representation.

All representations should be made such that they are received by Scottish Ministers not later than 25th January 2024 although Scottish Ministers may consider representations received after this date.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Inquiry (PI) to be held.

Following examination of the application Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

#### General Data Protection Regulations

**ELECTRICITY ACT 1989**

**TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997**

**THE ELECTRICITY (APPLICATIONS FOR CONSENT) REGULATIONS 1990**

Notice is hereby given that SP Energy Networks Holdings Ltd, “the Company”, (registered in Scotland under company registration number SC389555 at 320 St. Vincent Street, Glasgow, Scotland, G2 5AD) has applied to the Scottish Ministers for consent under Section 37 of the Electricity Act 1989 to install and keep installed twin 132kV overhead lines, each with a length of approximately 2.4 km (4.8km in total) supported on wood poles between Scoop Hill Community Wind Farm Substation located approximately 4.8 km south-east of Moffat (Ordnance Survey (OS) grid reference 311430 600564) and the electrical substation at Moffat (Bearholm) located approximately 3 km south of Moffat (OS Grid Reference 309406 601705).

SP Energy Networks Holdings Ltd has also asked that Scottish Ministers give a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the Environmental Report, with a map to which it relates is available for public inspection in person, during normal office hours at:

Location	Opening Hours	Address

A copy of the Environmental Report with a plan showing the land to which it relates, is available for public inspection, free of charge on the application website at [https://www.spenergynetworks.co.uk/pages/scoop\\_hill.aspx](https://www.spenergynetworks.co.uk/pages/scoop_hill.aspx). The application can also be viewed on the Scottish Government Energy Consents website at [www.energyconsents.scot](http://www.energyconsents.scot) under application reference ECU00004515.

Any representations on the application may be submitted to Scottish Ministers via the Energy Consents Unit website at [www.energyconsents.scot](http://www.energyconsents.scot) by email to the Scottish Government, Energy Consents Unit mailbox at [representations@gov.scot](mailto:representations@gov.scot); or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the ECU receiving representations by post.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations. Emailed representations should also include the full return email address of those making representations. Only representations sent by email to [representations@gov.scot](mailto:representations@gov.scot) will receive acknowledgement. Please note that the application reference number must be clearly stated in the representation.

All representations should be made such that they are received by Scottish Ministers not later than **25th January 2024** although Scottish Ministers may consider representations received after this date.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Inquiry (PI) to be held.

Following examination of the application Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal
