WE WILL

- ✓ Abide by SP Energy Networks **Land Code of Conduct**
- ✓ Provide prior notification in advance of taking access to private land or property
- ✓ Not bring any domestic animals on to site including dogs
- ✓ Consider the impacts that our activities will have on landowners / occupiers and the wider community
- ✓ Consider the impact on the local environment
- ✓ Plan works to minimise the impact on land
- ✓ Coordinate works to minimise work durations
- ✓ Mitigate land damage by using appropriate access routes, plant & machinery
- ✓ Leave gates as found
- ✓ Ensure vehicle movements & speeds are appropriate
- ✓ Ensure working areas are kept clean, safe & secure
- ✓ Adhere to best practice bio-security or advanced as evidenced by the landowner / occupier
- ✓ Be responsible for making good any land damage associated with our operations and activities
- ✓ Report all instances whereby any obligations under the Land Code of Conduct have not been followed
