SELF-DETERMINED PROCESS IN FULL

Customer Requests quotation

ICP submits a self-determined POC application via RAdAR where they have designed the works associated with the POC.

SPEN produces a Dual Offer quotation

ICP submits a Dual Offer application ← ICP to complete

ICP advises if they wish SPEN to complete any works

Customer decides on who completing works

NO

-YES-

SPEN provide a quotation for works

SPEN to Complete

Full works to be completed by SPEN to follow Licensed process

Accredited ICP submits their self-approved design ← **ICP returns acceptance and payment**

ICP:
- returns signed agreements. Legal consents obtained
- submits Weekly Whereabouts during Construction.
- asset inspectors monitor & audit the works.

SPEN complete any requested works

Accredited ICP requests connection/confirms completion of connection

Project Closed. Adoption warranty period begins
